*\*only one lead sponsor per day*

**Individual Women Builders:** We ask each individual (non-corporate) Women Builder to contribute \$50 and to help us to maximize our fundraising through a personalized peer-to-peer fundraising page. We handle all the setup and provide support along the way, making it simple, fun, and effective. These pages can be shared with networks via social media or email, with a goal of raising an additional \$150\* to support our housing programs and are a great way to increase awareness of the work we're doing. The peer-to-peer fundraising is a good-faith effort by each volunteer, which helps to offset rising costs of housing materials and to get even more people involved in our mission.

\*Women builders will not be excluded from our build day if they do not raise the full amount.
